Paul/Larry/Elaine,

Wanted to send a quick follow up email and a copy of the 213RR for the Philis bus that was used on the Harvey response. I don't believe we ever had funding placed on a task order, so trying to get that piece completed. The accounting that should be used for this funding is:

16/17 BR 06LOX13 303DC6 H001

Hi Larry and Paul,

We have the 213RR ready to for PHILIS, but there are no dollar amounts on it. Can you please submit an IGCE for we can budget for the cost? Once we have the 213RR completed we will forward it to the PO to create the requisition and then we can obligate the funds under the task order.

Thanks!
